

## *Quality You Can Count On, Service you Expect...*

### Products

<p style="text-align: center;"><b>Capacitors</b></p> <p>Electrolytic            Ceramic            Multi-Layer            Film            Power Film            Tantalum            Super Capacitors            SMT            Through-Hole</p>	<p style="text-align: center;"><b>Connectors</b></p> <p>Printed Circuit Interconnection            Wire to Wire Power Connectors            Headers &amp; Jumpers            Edge Connectors            Ribbon Cable Connectors            Din, Mini Din Connectors            Ear Phone Jacks</p>	<p style="text-align: center;"><b>Converters</b></p> <p>DC-DC Converters            AC-DC Converters</p>	<p style="text-align: center;"><b>Diodes / Rectifiers</b></p> <p>Bridge Rectifiers            Current Regulators            Diodes            Power Diodes            Switching Diodes            Pin Diodes            Schottky Diodes            Rectifiers            TVS Diodes            Zener Diodes</p>																
<p style="text-align: center;"><b>Displays</b></p> <p>SMD Displays            Through-Hole Displays</p>	<p style="text-align: center;"><b>Inductors</b></p> <p>Common Mode Filters / Chokes            Coupled Inductors            Fixed Inductors            Variable Inductors</p>	<p style="text-align: center;"><b>LEDs</b></p> <p>High Brightness LEDs            SMD LEDs            Through-Hole LEDs            IR Photo-Transistor &amp;            Coupler</p>	<p style="text-align: center;"><b>Potentiometers</b></p> <p>Control Potentiometers            Trimmer Potentiometers            Slide Potentiometers            Sensors            SMT            Through-Hole</p>																
<p style="text-align: center;"><b>Resistors</b></p> <p>Carbon Film            Metal Film            Thick Film            Metal Oxide            Resistor Networks            Wirewound Resistors            Cement Resistors            SMT            Through-Hole</p>	<p style="text-align: center;"><b>Relays</b></p> <p>Automotive            UL Approved            Signal            High Power            High Sensitivity            Relay Sockets</p>	<p style="text-align: center;"><b>Switches</b></p> <table style="width: 100%; border: none;"> <tr> <td style="width: 50%;">Anti-Vandal</td> <td style="width: 50%;">Tactile</td> </tr> <tr> <td>SMT</td> <td>Dip</td> </tr> <tr> <td>Panel Mount</td> <td>Slide</td> </tr> <tr> <td>Illuminated</td> <td>Rocker</td> </tr> <tr> <td>Sealed</td> <td>Toggle</td> </tr> <tr> <td>Right Angle</td> <td>Key</td> </tr> <tr> <td>Pushbutton</td> <td>Circuit Breaker</td> </tr> <tr> <td></td> <td>Micro Switches</td> </tr> </table>	Anti-Vandal	Tactile	SMT	Dip	Panel Mount	Slide	Illuminated	Rocker	Sealed	Toggle	Right Angle	Key	Pushbutton	Circuit Breaker		Micro Switches	<p style="text-align: center;"><b>Terminal Blocks</b></p> <p>Barrier Blocks            Din Rail Terminal Blocks            Fixed Terminal Blocks            Pluggable Terminal Blocks            Euro Terminal Blocks</p>
Anti-Vandal	Tactile																		
SMT	Dip																		
Panel Mount	Slide																		
Illuminated	Rocker																		
Sealed	Toggle																		
Right Angle	Key																		
Pushbutton	Circuit Breaker																		
	Micro Switches																		
<p style="text-align: center;"><b>Thermal Management</b></p> <p>Standard Heat Sinks            Extruded Heat Sinks            Bonded Fin            Liquid Cooled            Extrusions</p>	<p style="text-align: center;"><b>Thermistors</b></p> <p>Thermistors PTC            Thermistors NTC</p>	<p style="text-align: center;"><b>Transistors</b></p> <p>IGBT Modules            IGBT Transistors            JFET            MOSFET            Bipolar Transistors            Darlington Transistors            RF Transistors            Switching Transistors</p>	<p style="text-align: center;"><b>Transformers</b></p> <p>Audio Transformers            Autotransformers            Current Transformers            Industrial Control            Transformers            Power Transformers            Pulse Transformers</p>																
<p style="text-align: center;"><b>Varistors</b></p> <p>Metal Oxide Varistors            Through-Hole            SMT</p>	<p><i>Badger can supply a full line of passive components, please check with Badger if you don't see the product you're looking for...</i></p>
